

SIMPLY GIVING/ FIRST FRUITS GIVING

Why not simplify your life and sign up for Thrivent's automated giving program? Your offerings to King of Kings can easily be made on a weekly, bi-weekly, or monthly basis through **electronic funds transfer (EFT)** from your checking or savings account. EFT could also be described as *Electronic Faithfulness, Too!* This is the same process that many people use to pay their mortgage, car loan, utility bills, and insurance payments. Over 22 families of King of Kings have already chosen this option, which greatly helps year-round financial stewardship, especially during the summer when monthly expenses sometimes exceed summer offerings.

A single EFT form is used for both General Expense and the Building (mortgage) fund. You can change, stop, or suspend your contributions within 48 hours by contacting (or email) Sharon Thompson, our Financial Secretary or her designee. It's safe, simple and will provide convenience for you as well as the counters and financial secretary.

Enrollment forms are available on line at the King of Kings website here:

<http://www.kingofkingslutheran.org/stewards.htm>

Turn in your completed EFT form to Sharon Thompson.

As you plan and implement your giving, consider making an intentional choice in your monetary stewardship. Share your first fruits through automatic, planned giving. You'll be glad you did!
