

## **FOOD DONATIONS MAKE A DIFFERENCE**

King of Kings members donate an average of 90 pounds of food each month. Our summer contributions were given to SOS Community Services in Ypsilanti. Food Gatherers will receive our food in the fall.

**WHEN DONATING FOOD, PLEASE CHECK EXPIRATION DATES.** It is easy to bring food that has been sitting on your shelves for a long time. Agencies are not able to distribute food that is beyond its expiration date. We want all of our food to make a difference.
